Australia's premier **Women in Construction** event returns!

After another incredible event last year, Australia's foremost gathering of women in construction returns with exciting new speakers, all new content, engaging new formats, and more opportunities to meet and connect with peers than ever before.

Current and emerging leaders will meet industry experts and solution providers who will give them the technical knowledge, in-demand skills, and leadership strategies needed to take their career to the next level. This year's event is designed to help attendees meet, learn from, and connect with other women in construction through brand new champagne roundtables, group problem-solving sessions, interactive discussions with industry leaders, facilitated connection building, career-defining masterclasses, and much more.

It's not just a summit, it's a hands-on, collaborative experience built to help attendees grow their skills, improve project outcomes, expand networks, and shape the next stage of their career.

Who will you meet?

The **3rd Annual Women in Construction Summit** brings together current and future leaders from across all areas of construction and infrastructure.

Why leaders and decision makers will be at the Women in Construction Summit

The **Women in Construction Summit 2026** is a carefully curated event that will develop leadership and project management skills while keeping attendees on top of the latest developments in the construction and infrastructure sectors.

Amidst all the practical and insightful presentations, attendees will come together with peers from across Australia to share knowledge, trade war stories, network, catch up with friends and make invaluable new relationships, all in an inclusive and supportive environment.

Who should partner?

If you have an innovative or market leading product, solution or service related to any part of the construction or infrastructure industry, the **Women in Construction Summit 2026** needs to be a part of your sales and marketing campaign.

This is your opportunity to engage with key decision makers representing the entire spectrum of the sector, understand their challenges, and share solutions.

Partners will include, but are not limited to, organisations in the following areas:

- Technology, software and hardware
- Construction machinery & equipment
- Materials and building products
- Modular construction, MMC and prefabrication
- Safety, PPE and site services
- Logistics and transportation
- ESG, sustainability and energy
- Engineering, design and consulting
- Financial, risk, corporate and legal advisory

Why partner?

Does your organisation want to....

Increase visibility and be recognised as an expert in the construction and infrastructure sector?

The Women in Construction Summit 2026 positions your organisation as a thought leader in front of industry recognised speakers as well as an inquisitive and influential audience of attendees

Increase reach?

Use ours! Women in Construction Summit 2026 marketing reaches over 10,000 unique, targeted contacts – join our campaign early and benefit from 5+ months of brand awareness

Meet the right people?

With multiple networking opportunities across the 2 main conference days, you can expand your networks and socialise with existing clients and prospects. Save time on identifying and building relationships with new prospects. We target the key influencers and decision makers and you grow your community through authentic, meaningful facetime across the event

Build its brand?

The Women in Construction Summit 2026 offers brand recognition opportunities to position your company among the premier organisations within the construction and infrastructure industries and as a supporter of diversity and inclusion in the sector. This is your opportunity to enhance your profile as a trusted brand and market leader in front of key decisionmakers from a wide range of organisations across Australia.

If yes, then let's connect.

Through consultation with our in-house marketing strategists, we will tailor a programme to suit your objectives, whether they involve thought leadership, branding, lead generation, specific one on one meetings or a more social networking event.

There are numerous sponsorship and exhibition opportunities available with packages designed to help you meet your marketing and sales targets.
